

DETERMINING WHETHER A STIPEND SHOULD BE SUPPLEMENTED

Please choose an answer to the questions below and follow your answers.

Does the sponsor allow the fellow to engage in other activities outside of the fellowship project?

YES

Review RFP, PA, NOAs, and sponsor terms and conditions.

NO

Is the fellowship project or trainee experience similar to the project you are planning to supplement from?

YES

Discuss this with the PI or fellow

NO

The stipend needs to be supplemented using non-federal funds. If being paid from a non-federal sponsored fund, the sponsored award terms and conditions must be reviewed to ensure that there are no restrictions on such supplementation or that sponsor approval for this use of the funds has been obtained if needed.
